

Support Project PRC's Rental Assistance Program

JOIN PROJECT PRC: END EVICTIONS, PROMOTE STABILITY

Dear [Apartment Owner/Management],

I am a resident of [Your Community Name], and I am reaching out to you on behalf of many of us in our community who may face difficult times due to sudden illness or loss of employment. In our community, and across our city, families are working hard to prevent homelessness.

I want to bring to your attention an initiative that could provide much-needed support to our community: **The Rental Assistance Program** offered by Project PRC.

Benefits of Participation:

- It assists individuals and families affected by life adversities.
- Provides up to six months of rental assistance, up to \$3,000.
- Supports low to moderate-income families, students, individuals with mental illnesses or disabilities, and retired veterans.

Your Role:

As an Owner/Management company, you can register our property to participate in the Rental Assistance Program by making a minimum of \$7,500 tax-deductible annual donation. This donation enrolls our property in the program, and we, the tenants, become eligible to apply for rental assistance.

Action Requested:

We urge you to consider this opportunity. Join us in supporting Project PRC's mission to end homelessness. To participate:

1. Contact Amber Martin LMSW, National Program Director, at 972-940-0283, or
2. Call Project PRC's main line at 682-354-4483.

We appreciate your prompt attention to this matter.

Sincerely,

[Your Name]
